**Price per person - All material needed included, 1 surf session 1:30 min , Sports insurance, transport – if the client goes with our transport he has to wait for us or he can go with his own car and follow our transport.

The group lessons prices and ratio due covid time in the high season are the same as the low season. The salty wave can change the prices and teacher ratio for the high season in any circumstance, in case of price change the partner will be advised.

Our surf day package it is different from other schools as we are not a surf camp, as a surf school we provide surf lessons service, so we do not stay at the beach after the surf sessions. That way the client has more time to do other activities.
